

My Year 3 Learning Journey Grid - Week Beginning 13.07.2020

This week we would normally be discussing everything we have explored, investigated, studied and learnt in Year 3. We would be talking about how much we have grown, what our favourite lessons and activities have been, looking back on handwriting and work from the beginning of Year 3 and comparing it to now and we would be having lots of fun before you move into Year 4. As we aren't in school, I've decided *you* can be in control of your activities this week. Choose what you want to do and when you want to do it, but try to do a mixture of different coloured activities. Most importantly, have fun doing them!

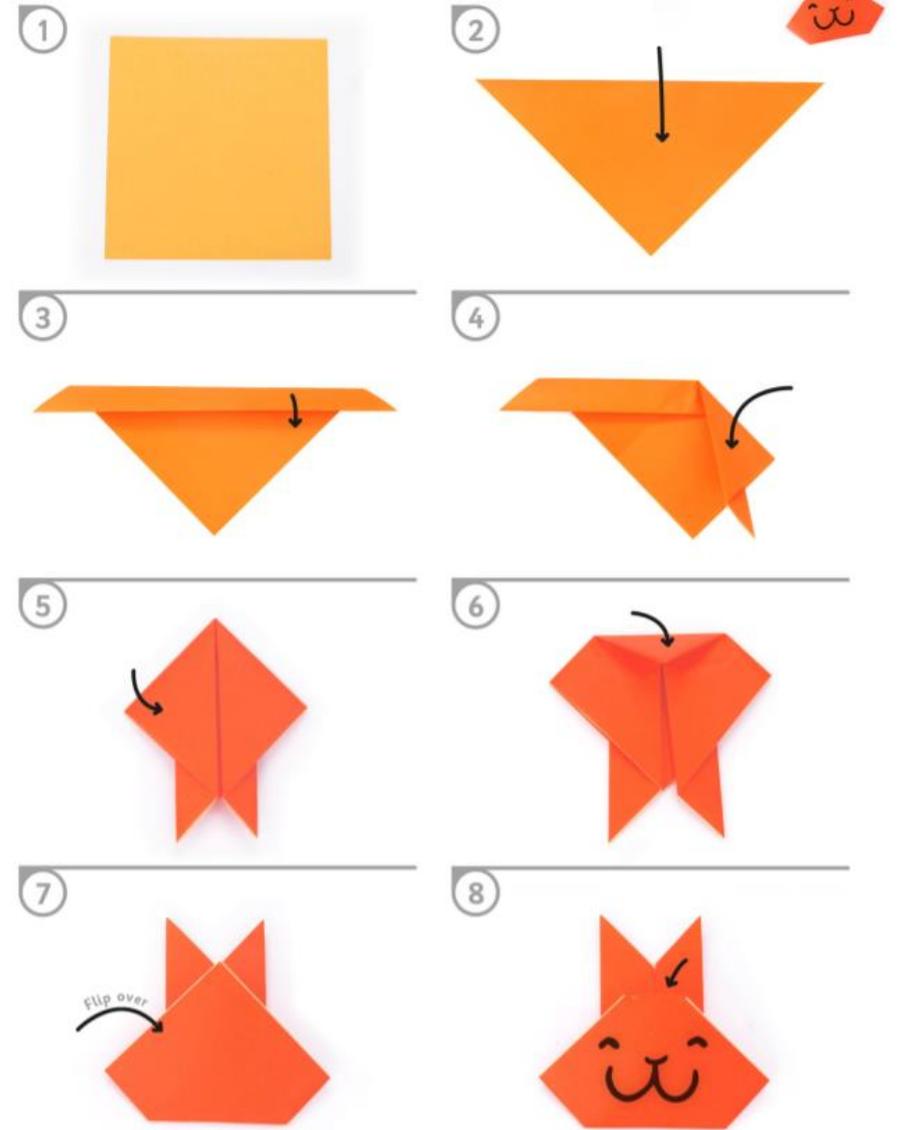

Have a fantastic final week of term Year 3 😊 If you need anything you can still email me h.emma300@bearpark.durham.sch.uk
