

# **Bearpark Primary School – Catch-up Premium Strategy 2020 - 2021**

**Updated 20/10/2020**

## **Funding allocation (Mainstream Schools)**

*Schools' allocations will be calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years reception through to 11.*

## **Payments**

*This funding will be provided in 3 tranches. We will provide schools with an initial part payment in autumn 2020, based on the latest available data on pupils. We will then distribute a second grant payment in early 2021, based on updated pupil and place data. For mainstream schools, we will use the 4 to 15 pupil headcount from the October 2020 census.*

*The second grant payment will also take account of the initial part payment made in autumn 2020 so that schools will receive a total of **£46.67** per pupil. A further £33.33 per pupil will be paid during the summer term 2021.*

*Though funding has been calculated on a per pupil basis, schools should use the sum available to them as a single total from which to prioritise support for pupils according to their need.*

*As the catch-up premium has been designed to mitigate the effects of the unique disruption caused by coronavirus (COVID-19), the grant will only be available for the 2020 to 2021 academic year. It will not be added to schools' baselines in calculating future years' funding allocations.*

## **Use of funds**

*Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with the guidance on [curriculum expectations for the next academic year](#). (See also [EEF - School Planning Guide 2020-21](#) )*

*Schools have the flexibility to spend their funding in the best way for their cohort and circumstances.*

## **Accountability and monitoring**

*As with all government funding, school leaders must be able to account for how this money is being used to achieve our central goal of schools getting back on track and teaching a normal curriculum as quickly as possible.*

*Given their role in ensuring schools spend funding appropriately and in holding schools to account for educational performance, governors and trustees should scrutinise schools' approaches to catch-up from September, including their plans for and use of catch-up funding. This should include consideration of whether schools are spending this funding in line with their catch-up priorities, and ensuring appropriate transparency for parents. (DfE guidance - Coronavirus (COVID-19) catch-up premium - updated 24/08/2020)*

## School Overview

Number of pupils in school YR – Y6	105
Proportion of disadvantaged	51%
Catch-up Premium allocation (No. of pupils x £80)	£8720 based on January census
Publish Date	20 <sup>th</sup> October 2020
Review Dates	January 2021
Statement created by	Joanne Clements
Governor Lead	Jeffrey Teasdale

## Context of the school and rationale for the strategy (With specific reference to the impact of COVID 19)

- We have a high proportion of disadvantage pupils including FSM, PPG, Service CLA and PCLA.
- The majority of our pupils did not engage in home learning throughout lockdown (estimated at two thirds)
- School reopened for all pupils on September 3<sup>rd</sup> 2020 and attendance was initially good, although family isolation has meant that attendance is decreasing as cases increase in the community.
- During the Summer Term closure, 7 pupils attended as pupils of vulnerable families and key workers.
- Standardised assessment were carried out prior to lockdown and as a baseline on return in September, so we can identify pupils who have academically regressed, and we are supporting all pupils with their social, emotional and mental health.

## Barriers to future attainment

		Barrier	Desired outcome
Teaching priorities	A	Staff require CPD to develop a greater understanding of childrens' mental health needs.	Staff are better informed and have greater clarity about how to support children with mental health needs. This is a focus of daily/ weekly teaching in the autumn term.
	B	Home learning is limited due to the current platform used and can be developed further to improve access to learning at home for all pupils.	A strong remote learning offer is in place. A new and improved platform is in place and all staff are trained in its use. Weekly homework activities are uploaded and feedback to pupils given accordingly.

	<b>C</b>	Most children have regressed in their learning and teachers need support in addressing a recovery curriculum	Gaps in skills and knowledge re-taught and by the end of the year, a full curriculum will be offered with pupils applying their skills and knowledge across all subjects.
Targeted academic support	<b>D</b>	Only a small proportion of pupils (approx. 30%) engaged with the online learning materials provided for Maths and English (reading and Writing) during the summer term. This has resulted in most pupils working well below ARE.	Pupils make accelerated progress in maths from their starting points at the beginning of the autumn term.  Tracking will show this.
	<b>E</b>	Some pupils had limited access to reading materials during the summer term and therefore, their reading ages are lower than expected.	Reading skills are much improved and rapid progress in reading ages are demonstrated on a termly basis.  Tracking will show this.
Wider Strategies	<b>F</b>	Some pupils are struggling to settle back into class routines and have a limited attention span linked to difficulties experienced due to COVID 19 and lack of structured learning experiences since March 2020.	All pupils are able to focus on their learning during lessons.
	<b>G</b>	Children may/may not have seen people outside of their household for 6 months. Some children have witnessed DV within their homes and family illness/ bereavement.	Re-established and new friendship groups. More children accessing therapeutic support services- counselling, therapy, etc.

**Teaching priorities for current academic year – Professional development for all staff (especially in EYFS) support to embed a full curriculum and staff SEMH.**

Barrier	Action	Desired outcome	Evidence source	Cost	Baseline data	Person responsible	Impact/ evaluation (autumn, spring, summer)
A	All staff to receive CPD and briefings in relation to SEMH well-being	All staff are quipped for early recognition of	Boxall Profile well-being programme shown to improve pupils engagement	From PPG	<i>Determined from pupil surveys</i>	SENDCO and Mental Health first aider	Autumn term

F and G	<p>Class structure and calm environment</p> <p>Zones of Regulation and Restorative approach.</p>	<p>Positive impact on identified SEMH pupils’ emotional wellbeing.</p> <p>Counselling for most needed</p>	<p><i>Education Endowment Fund Teaching and Learning Toolkit:</i></p> <p>Various interventions delivered by TAs.</p>	QFT	To be added once Boxall assessments are complete	SENDCO and mental health first aider.	<b>Autumn 2019</b>

	Counselling EWEL Service and related resources planned for, implemented and evaluated.	SALSP- confidence in communication		Counselling-COL credits			
	Boxhall Profile for a sample of pupils and support from whole team for all pupils and staff.						
	Yoga for all pupils.	Improved calmness/reflection and mental wellbeing/resilience	Ethos/environment	SPG			
	Launchpad to Literacy	Improved CLL across EYFS and into KS1	Attainment	£295	Baseline Reception and Nursery children-learning journals		

**Additional funding supporting provision**

PPG funding is partially used to support the implementation of Launchpad for Literacy, in particular the EDS contract. We have used PPG to implement a home-learning platform- DB Primary

We have used PPG to support SEMH of pupils, in particular the Boxall Profile training, administration and support.

### **Governance – monitoring the effectiveness of the Pupil Premium Strategy**

<b>Governors involved:</b> Chair of Governors/Catch-up Governor- Mr J Teasdale      To be presented to both committees
