

Homework

Homework will be given out every Friday and should be returned by Wednesday of the following week.

Supporting your child's learning

Reading at home at least 3 times each week is essential.

Practising their times tables and asking them division questions too. (2X, 3X, 5X and 10X)

I hope that your child has settled back into school well.

If you have any questions, or concerns, please do not hesitate to speak to me. Mrs Jones

Year 2

Bearpark Primary School

Home and Away

Maths

Daily Mad Maths

Number - Place Value

Calculation - Adding and Subtracting

Calculation - Multiplying and Dividing

Investigations - developing reasoning and problem-solving skills.

Computing

We will be learning about internet safety.

Children will create and debug simple programs. They will learn to use technology safely, purposefully and respectfully.

Geography/History

We will be: exploring the geography of our school, using basic geographical language; describing human and physical features of our school area and comparing them to Kenya; discovering the continents and oceans of the world and developing our geographical skills - using maps, compass directions and simple fieldwork.

We will be learning about how and why the train line was important to Bearpark and why George Stephenson is remembered.

Science

We will observe seasonal changes.

We will be learning about animals including humans.

Children will be working scientifically, asking questions, observing, exploring and researching, to find out what animals, including humans, need to be healthy and stay alive.

Home and Away

RE

Children will learn about why the Bible is important to Christians and what we can learn from the story of St Cuthbert.

We will also be exploring how and why light is important at Christmas.

English

Non-fiction texts - A range of texts linked to our topic

Fiction Texts - Roald Dahl focus - The Twits, The Enormous Crocodile, George's Marvellous Medicine.

Lila and the Secret of the Rain; Oi! Get off our Train and One Christmas Wish.

Poetry - A Nature Poem for Every Day
We will be planning and writing for a range of purposes and developing our reading skills.

PE

In PE we will be developing skills and knowledge in fundamental movement, invasion games, gymnastics and dance

Art/DT

The children will be designing and making a moving vehicle.

They will be looking at patterns and creating prints, line drawings and paintings inspired by these.
