

My Reception Learning Journey Grid. Week beginning 20.4.2020

Phonics

- Log on to Phonics Play – online phonics games- (Free access using the username march20 and password home). Play Phase 2 and 3 games on the Phonics play website.

One of our class favourites is **Odd or Bob** – which words are real words and which words are nonsense words?

- Play I-spy with things you can see out of the window to help practise oral blending e.g. “I spy with my little eye a t-r-ee”
- Practise reading your tricky words, can you form some words using objects/natural resources?

English

Design your dream house. What rooms would you like to have in your house? Encourage children to be as imaginative as they can (e.g. a cinema room, a chocolate room).

Can they label their house using their phonics knowledge?

Physical activity

Perform a song, dance or use some instruments to make some music of their own and perform in front of the rest of the family.

Or go onto YouTube and do a Just dance video!

Maths <https://whiterosemaths.com/homelearning/early-years/>

- Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.
- Write out the digits 0 – 9
- Watch a Numberblocks clip each day at: BBC or CBeebies. Use this link below to give you ideas on what to do with your child whilst watching an episode.

<https://www.bbc.co.uk/cbeebies/joinin/numberblocks-help-your-child-with-maths>

- Give your child a container. Can you make the container full, make it empty, nearly full, about half full. Can you find a container that holds more than their container? Can they find one which will hold less?

Fun task:

Go on a sight hunt: Support your child to make a viewfinder. Cut out a square of card from an old cereal box/ cardboard. Cut a smaller square out of the centre. Take your viewfinder around the house and garden and explore what things you can see. Alternatively, you could create a pair of binoculars as pictured. Your child could write a list of the things they see, draw a picture or take photographs.
