

My Reception Learning Journey Grid. Week beginning 4.5.2020

Phonics

- Log on to Phonics Play – online phonics games- (Free access using the username march20 and password home). Play Phase 2 and 3 games on the Phonics play website.
- Play I-spy with things you can see out of the window to help practise oral blending e.g. “I spy with my little eye a t-r-ee”
- With your child, look in magazines, newspapers and books for the tricky words they are currently learning. They could use a highlighter to highlight in magazines and newspapers. (I, to, no, go, they, said, she, he, we, be, into, my, was, her, all, are)

English

- Practice name writing. Can they write their first name? Middle name? Surname? Ensure children form the letters correctly.
- Ask your child to draw a picture of the people who live in their house. If they share time across two houses, draw who lives in each house. Can they label their family members using their phonics knowledge?

Physical activity

Try Cosmic Yoga
<https://www.cosmickids.com/category/watch/>

Can you do different workout moves and count how many you can do in a set time? (Star jumps, jumps, leaps, hops)

Maths

<https://whiterosemaths.com/homelearning/early-years/>

- Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.
- Write out the digits 0 – 20.
- Play the Numberblocks adding game.
<https://www.bbc.co.uk/cbeebies/puzzles/numberblocks-adding-up-quiz>
- While out on your daily walk, pick up 10 leaves, stones and sticks of all different shapes and sizes. Can you begin to count up the items in groups of two? Or you could also do this activity using pairs of shoes!

Fun task:

Could you help an adult to do some baking or make breakfast/tea?

Could you set the table for tea and write name labels for where your family sit?

Could you read a book or act out a story to your family? You could even make a puppet or a mask to help you!
