

My Reception Learning Journey Grid. Week beginning 11.5.2020

Phonics

- Log on to Phonics Play – online phonics games- (Free access using the username march20 and password home). Play Phase 2 and 3 games on the Phonics play website.
- Support your child to practise writing the tricky words: I, no, go, to, the, into, he, she, me, we, be. How many can they spell independently?
- Phoneme in the bag. Using flashcards/write all of the phase 2 phonemes and Phase 3 on small bit of paper and put them into a bag. Take turns to choose a phoneme out of the bag. How many words can you come up with that begin with that phoneme?

English

- Draw a plate and design your own healthy meal. Label each food you have drawn for me to see what tasty foods you have decided to include!

Physical activity

Play positional language
Hide and Seek

Choose a selection of items and hide them. Ask your child to count out loud while you're doing this. Give them clues about the positions of the objects, e.g. it's under the chair.

Maths <https://whiterosemaths.com/homelearning/early-years/>

Play Skittles

If you have a set of skittles, you're ready to go, if not you can make your own skittles using plastic bottles. Take a plastic bottle and partly fill with soil/ stones or sand to weigh it down. If you don't have plastic bottles available you could use tin cans for an alternative version. Ask your child to count how many skittles there are to begin with. Roll the ball at the skittles and ask your child to count how many they have knocked over. Can they work out how many are left? CHALLENGE: You could write this out as a subtraction number sentence e.g. if you start with 5 skittles and knock over 2 your child would write $5 - 2$. Ask them to count how many are left to find the answer $5 - 2 = 3$.

Fun task:

- Make some fruit kebabs! Follow this recipe if you would like to have a go: <https://www.bbcgoodfood.com/recipes/rainbow-fruit-skewers>
