

My Reception Learning Journey Grid. Week beginning 29.6.2020

Please email me if there is anything that I can help with. Have a lovely week, Miss Wallace ☺

Phonics/Spelling

- Log on to Phonics Play – online phonics games- (Free access using the username march20 and password home).
- Play, 'Pick a Picture'.
Alternatively, the adult writes a word, e.g. teeth and then the child draws a picture to match the word. Don't forget to practise with the digraphs and trigraphs.
<https://www.phonicsplay.co.uk/resources/phase/2/pick-a-picture>

English This week I want you to talk about this picture below from the book 'The Lighthouse Keepers Lunch'.

Can you talk with an adult about this image? What can you see?

Can you use your phonics to write words or a sentence about the image? Use the tricky words in your sentence.

Maths – This week in maths, we will be using the resources from the White Rose Home Learning.

<https://whiterosemaths.com/homelearning/early-years/>

- **Adding more** – Encourage the children to create their own first, next then stories. E.g. First there were 5 dolls in the house, then 2 more dolls came home. Now there are 7 dolls.
- **Taking away** – Ask children to create their own first, next then stories for taking away E.g. First there were 6 birds then 2 flew away now there are 4.
- **Counting to 20**- Practise counting, forming and ordering numbers to 20
- Visit these websites for games to help you:
<https://www.bbc.co.uk/cbeebies/topics/numeracy>
<https://www.topmarks.co.uk/maths-games/3-5-years/counting>
<https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/>

Don't forget to practise forming your numbers. 1 2 3 ☺

Expressive Art and Design

Draw a picture of a lighthouse. Choose 2 colours and decorate it with a repeating stripy pattern.

You could even make a 3D lighthouse using objects at home.
