

My Reception Learning Journey Grid. Week beginning 1.6.2020

Phonics

- Log on to Phonics Play – online phonics games- (Free access using the username march20 and password home).
- Ask your child to use their phonic knowledge to spell some of the names of the characters from the 'The Gruffalo'? E.g. f-o-x, ow-l. If this is too tricky, can they say the sounds that make up the words instead? Can they do the same for other characters they know from books?
- Sound Sprint - Make some sound cards (you could use paper). Place and spread them out across the floor. Ask your child to run and stand on the sound you call out. Say simple words as a challenge e.g. f-o-x. Extend further to include digraphs and trigraphs.

English

Watch 'The Gruffalo' here.

<https://www.bbc.co.uk/programmes/b00pk64x>

Ask your child to draw a picture of their favourite character. Can they write words/sentences to describe their character, i.e. furry body, knobbly knees and black teeth.

Maths

- Practice writing the numerals to 10 and then up to 20 if your child is able. You could do this in chalk in the garden, using felt tips, crayons or anything that will engage your child.
- <http://www.ictgames.com/mobilePage/tenFrame/index.html> Use the Tens Frame to add numbers together. Or, ask your child to make 10 using different objects from around the house/garden e.g. dry pasta. Or, your child can practice making amounts to 10 using different objects from the garden e.g. leaves and sticks.
- <https://www.starfall.com/h/addsub/add-machine-1/?sn=math1--math0>
- Practice counting on from any given number. Then play this online adding machine game, add up the animals and objects

Physical activity

Play a game of catch with a ball - when you drop the ball, you lose a point. You could record points using a tally chart and count up who has the most points at the end. CHALLENGE: See if you can catch the ball standing further apart, catch with one hand or use a smaller ball.

Fun task:

Can you draw a rainbow on the ground in chalks or in paints?

Can you spell some of the colours too?
