

MATHS

This week we are continuing to explore ways of solving calculations. We are using The Oak Academy resources. Please follow this link:

<https://www.thenational.academy/online-classroom/year-2/maths#subjects> and scroll down the page until you get to the five lessons entitled 'Exploring Calculation Strategies'. **There is a video lesson for every day with activities to complete. All you need is some paper, a pen and your brain!**

Remember you can access **Top Marks, Numbots and TT Rock Stars to practise all of your other maths skills.**

Follow this link to the Numbots webpage and enjoy some number games:

SCIENCE

We are still learning about **living things and their habitats**. This week's focus is food chains. Watch this clip:

<https://www.bbc.co.uk/bitesize/clips/z96r82p> and this one:

<https://www.bbc.co.uk/bitesize/clips/z8hxp4>

Look at the extra resource sheet. Decide if you want to do 1, 2 or 4 food chains and then complete the one you have chosen– if you can't print it, draw it instead.

Now choose your favourite animal and find out about what it eats. Draw a simple food chain for you animal – is it food for another animal?

30 Days Wild is into its third week. Follow this link and sign up for free if you haven't already.

There is a wild activity to complete every day in June. I'm doing it every day and so are all the other teachers – have a look at the pictures on our school's Facebook page. Please send any pictures of your wild activities you'd like me to share. Have fun!

You can watch live action showing lots of different nesting birds here:

Any problems, please contact me and I'll be happy to help. Have a good week. Mrs Jones 😊

READING

On Fiction Express, we are reading 'Captain Jellybeard and the Giant South Sea Prawn'. Read chapter three this week and then complete the quiz. If there are any tricky words, ask an adult to explain them or look them up in a dictionary.

SPELLINGS

Your spelling's this week all contain a possessive apostrophe. See if you can write them into super sentences.

Megan's

Ravi's

the girl's

the *child's

the man's

the woman's

the school's

a dog's

a teacher's

ENGLISH

This week, please complete these activities based on Chapter 3 of Captain Jellybeard and the Giant South Sea Prawn.

1. Imagine you are a judge in a talent contest. Are you going to be a kind judge or a mean judge? Write your own judge's phrasebook. Think of 5 phrases you might say after a fantastic performance. Then think of 5 phrases you might use after a terrible performance.
2. Create a 'Wanted' poster for Captain Skullbone. Draw a picture to show what this evil pirate looks like. Will you offer a reward for his capture? Make sure your poster is eye-catching, and gives details for anyone who has information about the captain's whereabouts.
3. Find out about the different types of roles pirates had on board a ship, such as the captain, first mate, lookout or deckhand. Make some top trump cards containing at least one fun fact about each role. Draw a picture to illustrate each card, too.

Remember after you read any books, look on Accelerated Reader to see if there is a quiz you can complete.
