

My Year 2 Learning Journey Grid. Summer Term wk6 1.6.2020

MATHS

This week we are starting a new unit of learning about measures. We are using The Oak Academy resources. Please follow this link

<https://www.thenational.academy/online-classroom/year-2/maths#subjects>

and scroll down the page until you get to the five lessons entitled 'Measure: capacity and volume'. **There is a video lesson for every day with activities to complete. All you need is some paper, a pen and your brain!**

Remember you can access **Top Marks, Numbots** and **TT Rock Stars** to **practise all of your other maths skills.**

Follow this link to the Numbots webpage and enjoy some number games:

<https://play.numbots.com/#/account/school-login/23296>

SCIENCE

We are still learning about **living things and their habitats**. This week we are focused on bees. When you are out and about in your garden or taking your daily exercise, look out for bees. What kind of habitat do you see them in? There are many different types of bees.

Visit: <https://durhamwt.com/wildathome/> and follow the link at the bottom of the page to buzzing bees. There is lots of information about bumble bees and activities for you to do. Complete these and make a fact file all about bees – include drawings, photos and pictures of any bees you see yourself.

Remember to keep your hands and fingers away from any bees that you find.

Last year in school, we completed **30 Days Wild**. It's back again this year and starts today! Follow this link and sign up for free.

<https://action.wildlifetrusts.org/page/57739/petition/1>

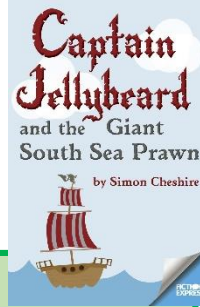

There is a wild activity to complete every day in June. I'm doing it every day too and will post some pictures on our school website – please send any pictures of your wild activities you'd like me to share. Have fun!

And if you haven't already, tune into BBC Springwatch to learn even more about the fabulous nature that is all around us.

Any problems, please contact me and I'll be happy to help. Have a good week. Mrs Jones ☺

READING

We are starting a new book on Fiction Express. It's called 'Captain Jellybeard and the Giant South Sea Prawn'. Read chapter one this week and then complete the quiz. If there are any tricky words, ask an adult to explain them or look them up in a dictionary.

SPELLINGS

Practise these from Monday-Thursday and get someone to test you on them on Friday. It's words ending in 'tion' this week.

ENGLISH

This week, please complete these activities based on Chapter 1 of Captain Jellybeard and the Giant South Sea Prawn.

1. Imagine you are a pirate, sailing to the South Seas in pursuit of the Giant Prawn. What sights might you see? What will life be like on board the ship? What about your fellow pirates? What food would you eat? Write a daily diary describing a week aboard a pirate ship.

2. 'Yo ho ho', 'Aharr' and 'Batten down the hatches' are three pirate terms used in chapter 1 of Captain Jellybeard and the Giant South Sea Prawn. Read the text and research to list five more terms that pirates like to use. Practise talking like a pirate with someone in your house.

3. Complete the sheet on nouns – you can just write down the answers if you can't print out the sheet.

Remember after you read any books, look on Accelerated Reader to see if there is a quiz you can complete.
