

I hope you have a lovely 6 weeks holiday. I have missed you all so much and I can't wait to see you all in September when you will be in Year 1 ☺ Miss Wallace.

Look at flags from around the world. Discuss which are your child's favourites and why? Ask your child to design and make their own flag using 2D shapes.

Here are some fun activities for you to do. Please email me or Mrs Clements photos of you doing some of the activities and we will share your photos to our school Facebook page ☺

Can you write a shopping list to help an adult with their shopping? Use your phonics to write the items on the list.

Using old packaging (shoe box, cereal box etc.) support your child to make a model of your house. Can you count how many windows there are and stick on the right amount? Can they write their house number on the front? Junk model your dream house. Use materials from around your house to decorate e.g. old wallpaper, fabric, wool.

Can you collect daisies and make a daisy chain?

OR

Can you make your name out of natural materials?

Can you bake with an adult and share a picture with us to show us what you made.

Using lego, duplo, wooden blocks make a model of your house or a famous building. Can they add in the rooms and doors in the right places? Write labels to match each room on pieces of paper for your creation.

Can you draw a picture of your favourite book character?
