

1. Think of some interesting questions to interview an adult with, then write a biography about their life.

2. Spend time listening to your favourite songs. Write a list of the instruments you can hear being played.

3. Go on a walk to a river and learn to skim stones. Watch this video of a stone skipping robot!

## Year 4 - Final Week Activities

These are some ideas for you to complete at home for fun, for your last week in year 4. I have loved teaching you in the time we had together and can't wait to see you all again in September! Have a great six weeks holiday. Miss Jobson ☺

4. Bake something (with adult supervision) and send us a picture of your creation in to school so we can share it on the school Facebook page.

5. Make up your own game and teach it to someone in your family.

6. Look on the internet find videos on how to make origami. Teach yourself a new shape and send us a photograph!

7. Teach yourself how to make friendship bracelets. Here's a good video on YouTube and all you need is some coloured string, tape, cardboard and scissors!
