

Bearpark Nursery Home Learning Tasks

Spring 2021 - Week 2	Today's task	Adult Input
Monday	Can you watch or read our story of the week? 'Whatever next?' - YouTube	Ask your child What? Who? Where? How and Why? Questions. Comment on what is happening and ask your child what they think might happen next.
Tuesday	Can you sing along to the song using your fingers to count? Zoom Zoom Zoom We're Going to the Moon - Youtube	Sing along with your child and make your own actions to the song. When counting encourage your child to use their fingers, clap or jump. Once you have decided on your actions you could perform it to your family!
Wednesday	Can you make a rocket for your favourite soft toy using boxes, plastic bottles or anything else you have in your house?	Use any resources you have available! Check your recycling for junk modelling. Ask your child for their ideas. What do we need inside of our rocket? (Buttons, a seat, a space suit) What could we use to build the rocket? Talk to your child about the different shapes and sizes of the 'junk'; it is round, straight, bumpy, smooth? Offer some ideas of your own too, comment on the objects. For extra discussion ask your child how and why questions. Using tape to stick the junk together is great for your child's fine motor development! Then enjoy your special visit to the moon!

Thursday	Can you copy the dough disco moves? – YouTube	If you have no access to play dough, you can use a squashy ball or just some tissues. You can find a recipe for homemade play dough on our website under 'home learning Nursery'.
Friday	Can you climb a tree?	Explore the great outdoors! Encourage your child to discover different textures, sounds, smells and the change in weather. Developing gross motor skills is very important for your child to progress throughout their school life, particularly when learning to write. Climbing a tree can encourage your children to use their whole body by pushing and pulling. It is also an excellent way to encourage independence and increase self- confidence. Give it a go!
Challenge Yourself!!	Can you do 10 mins of dancing a day? Koo Koo Kangaroo - YouTube	Ask the children to choose 2/3 dances from Koo Koo Kangaroo on YouTube. We do this every day in Nursery to keep active!

- Free book resources!

Miss Clark would love to see what you have been doing at home! Please send your photos to v.clark301@bearpark.durham.sch.uk along with a caption.

These will then be placed in our floor book and spark discussion when we return!
