School Garden Project

The children are currently designing and making items for our school and community garden. Class 5 are making wind-chimes and we would appreciate any donations of **keys, spoons, large washers, horseshoes and bells.**

Positive Covid Test

Please continue to follow Government guidance and **stay at home if you or any member of your household has any Covid symptoms.** Anyone with symptoms must be tested. If the test is negative, then children can return to school.

Our Curriculum

All children have been given a curriculum leaflet so that you know what your child is learning in their class this term.

These are also on our website too.

Staffing Changes

We are delighted to have appointed an additional Teaching Assistant to our team this week. Mrs Exley will start with us in September 2021.

Miss Jobson has announced this week that she is leaving us at the end of the summer term, to progress in her career. We are currently in the process of recruiting a teacher to continue the great work that our school offers and the successful applicant will start in September.
