

Homework

Homework will be given out every Friday and should be returned by Wednesday of the following week.

Please ensure that your child brings their reading book into school every day.

Library books are usually swapped on a Tuesday.

PE Kits need to stay in school every day.

Supporting your child's learning

Reading with your child at home at least 3 times each week is essential. Play word games together. Practise any spellings sent home too.

Using RM Maths, TT Rock Stars, Fiction Express and Spelling Frame, as well as apps such as Hit the Button and One Minute Maths.

Chanting number bonds, comparing numbers, telling the time, practising times tables and asking division questions.

Year 2: 2x, 3x, 5x and 10x

Year 3: as above and 3x, 4x and 8x

I hope that your child feels settled back at school.

If you have any questions or concerns, please do not hesitate to contact me. Mrs Jones.

Class2J Autumn 2022
Bearpark Primary School

*Our Wonderful
World*

Maths

Daily Early Maths
Number – Place Value
Calculation – Adding and Subtracting
Calculation – Multiplying and Dividing
Investigations - developing reasoning and problem-solving skills.

PE

In PE we will be developing skills and knowledge in invasion games and yoga, as well as developing our swimming skills.

Geography/History

Where are we in the world?
We will be focusing on simple world maps and features: continent, oceans, mountains and rivers; using basic geographical language; discovering the continents and oceans of the world and developing our geographical skills – using maps, compass directions and simple fieldwork.

We will be learning about the history of trains, and why George Stephenson and Timothy Hackworth are remembered. We will also learn how and why the train line was important to Bearpark.

Science

We will also be learning about animals including humans.
Children will be working scientifically, asking questions, observing, exploring and researching, to find out what animals, including humans, need to be healthy and stay alive.
The children will also be learning about materials and their properties.

Our Wonderful World

RE

Children will learn about why the Bible is important to Christians and what it means to belong in Christianity.
We will also be exploring how and why light is important at Christmas.

English

We will be using a range of texts as inspiration for writing, including:
Fiction Texts: Roald Dahl focus – The Twits, The Enormous Crocodile, George's Marvellous Medicine and This is not my Hat and One Christmas Wish;
Poetry: The Owl and the Pussycat – Edward Lear
Non-fiction texts: A range of texts linked to our topic.

We will be planning and writing for a range of purposes and developing our reading skills.

Computing

We will be learning about internet safety.
We will be learning about the Information Technology all around us and learn how to capture and change digital photographs for different purposes.

Art/DT

The children will be designing and making a moving vehicle.
Children will be looking at the work of British artists for inspiration. They will develop their use of a sketch book and explore and use a range of tools and materials.
